The Pasadena ISD Education Foundation Board of Directors is proud to present the 2018 Annual Report. Please take a brief moment to explore our past year of success and share in our dreams of providing continued support to the school children and educators of Pasadena ISD for years to come.

**711 MINI-GRANTS**

**\$2,612,000.58**

## ANOTHER YEAR OF SUCCESS...

The Pasadena ISD Education Foundation Board of Directors is proud to present the 2018 Annual Report. Please take a brief moment to explore our past year of success and share in our continued efforts of providing support to the school children and educators of Pasadena for years to come.

Since 2003, the Education Foundation has helped bring dreams to life for educators and students alike while awarding **\$2,612,000.58** in the form of **711 mini-grants** given across the district. In addition to the **\$200,811.00** in mini-grants awarded in 2018, the foundation distributed another **\$381,187.15** in designated donations and board approved funding for campus programs.

Though great strides have been made in helping to enhance the education of our students, for every bright idea submitted, there are more that do not get funded because monies are not available. In the years ahead, the foundation's challenge is to keep

building on our success and expand financial support provided to the programs for Pasadena ISD students. The foundation board of directors constantly strives to earn dollars through annual fundraising events and donations. We have broadened our scope to include grant requests to corporate and private foundations. The Finance Committee actively pursues safe, yet productive investment opportunities. We are always seeking new and untapped resources.

**Would you include the Education Foundation in your charitable giving this year?**

### About the Education Foundation

The Pasadena ISD Education Foundation is a non-profit 501 (c) (3) organization, which raises money to fund mini-grants of up to \$5000 for district educators' classroom ideas or campus programs. These learning projects likely would not otherwise be funded by the regular school budget.

The mission of the Pasadena ISD Education Foundation is to enhance the quality of educational services to promote an exemplary educational system. The Foundation will collaborate with the community to reward innovative teaching, promote educational excellence, provide educational and leadership opportunities to students and to recognize the teachers and staff of the Pasadena Independent School District.

**...THANKS TO YOU!**

# OUR TIMELINE

**The Texas Invitational Basketball Tournament** under the leadership of Chairman Ben Meador and steering committee presents a \$10,000 check to the Education Foundation as its designated beneficiary.

**Meador Staffing is recognized as the first "Community Shining Star"** award recipient at the Shining Stars Gala.

**Pasadena High School Alumnus and local attorney, John Eddie Williams, awards \$100,000.00** to the Education Foundation being the largest donation from an individual to date.

2003

2004

2005

2006

2007

2008

**Pasadena ISD Education Foundation is founded** and recognized as a non-profit organization. Herman Williams serves as president with 24 elected board of Directors. A Founder's Drive is held with Mel & Mary Cowart donating the top lead gift of \$25,000. Another \$25,000 was donated from the Pasadena Alumni Foundation, a committee formed under the Pasadena Chamber of Commerce. Overall the year-long drive brought in nearly \$200,000.

**McDonalds signs on as title sponsor** of what is now known as the McDonald's Texas Invitational Basketball Tournament.

**The McDonald's Texas Invitational Basketball Tournament raises record amount** of proceeds and donates \$100,000 to the Education Foundation.

**The Education Foundation surpasses 2 million** dollars in grants awarded to Pasadena ISD educators.

**The Education Foundation recognizes 4 founding board members** who are still active on the board: Dr. Kirk Lewis, Denise Jennings, Herman Williams and Terry Brotherton. The Shining Stars Gala surpasses a half million dollars in proceeds over a 15 year span.

2015

2016

2017

2018

**The Education Foundation is named as a Top 10 Education Foundation** in the nation in the Division Rankings by Dewey and Associates' Stepping Up: The Nation's Top K-12 Education Foundations. Ben Meador, founder and longtime chairman of the MTI, passes the torch to new leadership under Dr. Kirk Lewis.

**Donors give over 1.3 million dollars** to support recovery efforts from devastated Hurricane Harvey flood waters

Prize Parade

Founding Members

Shining Stars Gala - LyondellBasell volunteers

**Gulf Coast Educators FCU donates t-shirts** for every employee joining the Cornerstone Club. The popular t-shirts have more than doubled membership & contributions likewise. Under the leadership of Chairman Jack Bailey, the Foundation hosts its 1<sup>st</sup> Annual Texas Invitational Golf Classic at Timber Creek Golf Club. The tournament has become a significant fundraiser for the foundation & keeps growing.

**MDL Enterprise Inc. agrees to donate computer devices** to every senior honored at the Shining Stars Gala. They have continued to donate every year to date. The Athletics Hall of Fame is formed under leadership of Terry Brotherton & steering committee.

**The first Pasadena ISD vs. Deer Park ISD Alumni Basketball Game** is held during the McDonald's Texas Invitational Basketball Tournament. It was a huge draw with former cheerleaders & drill team members entertaining the crowd.

**New fundraiser, "Dancing with the Principals", debuts** and is a big hit with employees & the community. It would run for five consecutive years raising funds and entertaining thousands. In 2010, DWTP was recognized as "Most Innovative Fundraiser" by the Texas Pioneer Education Foundation Association.

**The Education Foundation surpasses one million dollars** in mini-grants awarded to educators in Pasadena ISD.

**The Prize Parade surpasses 1.5 million dollars** in mini-grants awarded to educators.

## ANNUAL BOARD OF DIRECTORS MEETING

In February, the Board of Directors held its annual meeting where the new executive board was voted into office taking over for the former officers. Awards of Recognition were given to 4 directors who have served on the board since inception in 2003. They were **Herman Williams, Terry Brotherton, Denise Jennings and Kirk Lewis**. Also, the board recognized the service of the 3 chairpersons of our fundraising events – **Kirk Lewis, Jack Bailey and Denise Jennings**.

## BOARD OF DIRECTORS RETREAT

In March, President **Steve Cote** hosted a strategic planning session at The Tremont Hotel in Galveston for directors to map out strategies and fundraising events for the upcoming year. New directors were able to get to know the group and its policies while others enjoyed time with old friends.

## ATHLETICS HALL OF FAME

In April, the Athletics Hall of Fame held their annual banquet. In addition to honoring outstanding alumni athletes from Pasadena, they also awarded two scholarships to 2018 senior student athletes. During the year, the HOF awarded three mini-grants to campus athletic programs who applied.

## SHINING STARS ACADEMIC RECOGNITION GALA

In May of 2018 the Education Foundation honored those seniors whose academics shine the brightest on their campus. Ten students with the highest grade point averages from each Pasadena ISD high school were invited along with their parents and the educator “who had the most impact on their education.” It was a star-studded event with foundation donors, board members and the community all coming together to recognize the success and accomplishments of this elite group of young people and educators. **LyondellBasell Houston Refining** sponsors the event providing decorations and volunteers under the direction of **Gala Chairperson Denise Jennings**. To add to the excitement, once again **Dennis and Michele Lamm of MDL Enterprises, Inc.** donated computer devices for each student. Foundation supporter **ABC Dental** was honored as the **2018 Community Shining Star** for their continued and outstanding support of PISD.

## TEXAS INVITATIONAL GOLF CLASSIC

In June, the 7th Annual Texas Invitational Golf Classic was held at Timber Creek Golf Club. The golf tournament was organized by **Chairman Jack Bailey** and committee to raise funds and awareness for the McDonald's Texas Invitational Basketball Tournament. There was a full roster of teams, sponsors and hole sign sponsors adding over **\$35,000.00** to the overall tournament income for 2018.

## MARKETING AND COMMUNITY RELATIONS

Throughout the year, the foundation took the opportunity to set up booths at community events to spread awareness. In August, the Education Foundation took part in two events to create awareness and inform the community and employees about the foundation. At the New Teacher Welcome, 10 lucky "first year" teachers were chosen in a random drawing for a \$250 gift card to use for classroom supplies. Promotional items and marketing materials were given to all booth visitors at this event as well as the Business Expo held at the Pasadena Convention Center hosted by the Pasadena Chamber of Commerce. Foundation board members volunteered to work a booth at each high school homecoming football game in effort to gain more awareness with parents and students' families.

## FOUNDATION LIAISON MEETING

The annual meeting of the foundation liaisons was held in September for campus representatives across the district. Those attending were given upcoming plans for the foundation. The liaisons help by getting the word out on their campus about the happenings of the foundation. They are instrumental in assisting with the Cornerstone Club Competition held in October.

## FOUNDATION AWARENESS MONTH

During the month of October, several events were held to heighten awareness of the PISD Education Foundation in the community and within the district.

A competition was held between campuses to see who could recruit the most members in the **Cornerstone Club**. The club is made up of district employees who contribute to the foundation by payroll deduction and one time donors. Winning campuses were awarded cash prizes and individual incentives were given to members whose names were randomly drawn. This year, **Gulf Coast Educators Federal Credit Union** donated t-shirts and hoodies to all Cornerstone Club members who met the annual donation requirement. Foundation directors donated gift cards that were awarded by random drawing to club members.

## MCDONALD'S TEXAS INVITATIONAL BASKETBALL TOURNAMENT

The **McDonald's Texas Invitational Basketball Tournament** is the primary fundraiser for the foundation. Run solely by volunteers and sponsored by local business, industry and corporations, it has become one of the most respected and sought after tournaments in the state. Set in 9 different venues, the 2018 tournament hosted 32 girls' teams and 48 boys' teams from Texas. New in 2018, the district live-streamed games at all venues for all 3 days. Co-hosted with Deer Park ISD for the seventh year, the tournament gave back approximately **\$220,000.00** to both foundations collectively.

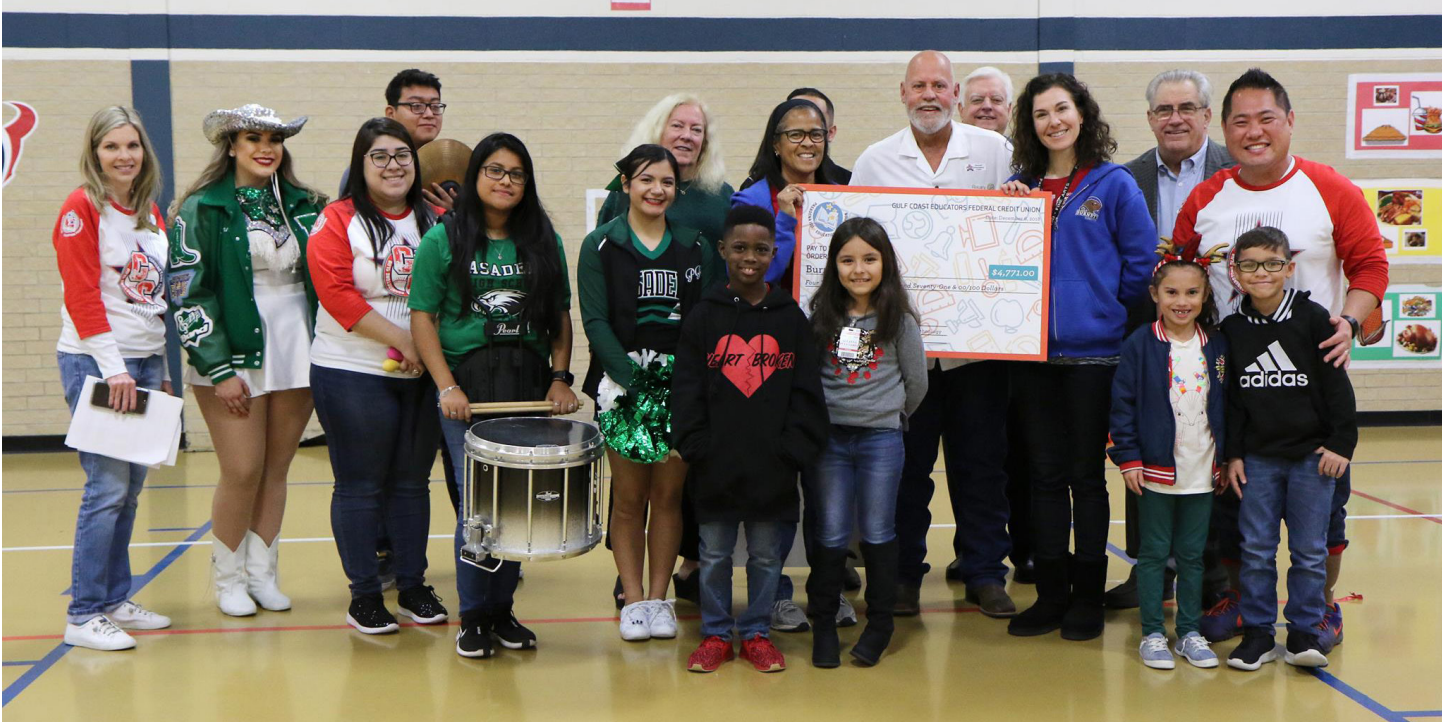

**THE MCDONALD'S TEXAS INVITATIONAL CHECK PRESENTATION** The McDonald's Texas Invitational Check Presentation was made at the February 2019 Pasadena ISD Board of Trustees Meeting celebrating the 2018 tournament's success. Steering Committee officials gave recognition to sponsors and volunteers with **Bob Ellis** being named **Volunteer of the Year**. **Chairman Kirk Lewis** presented the giant check to the **Pasadena ISD Education Foundation** in the amount of **\$174,104.29** which included **\$35,000** from the **Texas Invitational Golf Classic**. Another check was awarded to **Deer Park ISD Education Foundation** for **\$45,897.97**.

## PRIZE PARADE

In December of 2018, the Education Foundation "Prize Parade" surprised campuses across the district with the awarding of mini-grants to educators. Joined by high school cheerleaders and a drumline, this festive assembly of foundation directors and donors brought oversized checks to be presented to the classroom teacher or educator(s) who submitted the grant application. Altogether, over **\$200,000.00** was awarded.

# 2018 MINI-GRANTS

CAMPUS	MINI-GRANT NAME / ABSTRACT	AMOUNT	DONOR
<b>ALL SCHOOLS</b> Shannon Rogers, RN, April Weisedel, RN, Darla Massey-Jones	<b>NURSES: AT THE HEART OF CAMPUS SAFETY</b> We are requesting a mini grant to pay for the cost of sending three (3) Pasadena ISD School Nurses to become CPR Certified Instructors through American Heart Association as well as purchase CPR training equipment for the nurses to use in their trainings. In aligning with the district's commitment to campus safety, it is imperative to train classroom staff to become first responders.	\$5,000.00	Bayway Auto Group
<b>ATKINSON ELEMENTARY</b> Andrea Luna	<b>MAKING READING "APP" EALING</b> Making Reading "App" ealing will provide Atkinson Elementary students with dyslexia and reading difficulties an innovative way to build their reading skills in an interactive way. Students become easily frustrated while dealing with the many challenges they face when they read. The Apple iPad provides apps that would be used to help with areas where dyslexic and reading intervention students struggle the most. The apps range from handwriting, practice fluency skills, spelling, vocabulary, and audio texts. The iPads would be used daily with dyslexia and reading intervention students to help increase their fluency, vocabulary, spelling, and overall comprehension skills.	\$4,330.00	Capital Bank
<b>BEVERLY HILLS INTERMEDIATE</b> Micah Strickland, Melanie Mauldin, Jesse Churchill, Travis Regner, Stacey Barber, Carla Castillo	<b>"BHI CALCULATE 8"</b> "BHI Calculate 8" is a proposal to purchase 41 TI-84 Plus graphing calculators for our 8th grade math/7th grade Pre AP students to facilitate the learning and achievement of the 8th grade math learning standards provided by TEA and the 8th grade math STAAR test that the students must pass to be promoted to the next grade level.	\$4967.00	Direct Energy Business
<b>BURNETT ELEMENTARY</b> Melisa Evans; Bernice Barraza, Van Caroselli; Ramona Dawson; Nancy Fehst; Keonne McClain	<b>READERS TODAY, LEADERS TOMORROW!</b> Dyslexia students often feel that they are not as successful in their reading abilities as their classroom peers due to their reading disability, which can impede the areas of fluency and comprehension. As a teacher of dyslexia learners, I strive daily to instill motivation and confidence in each student. The use of a leveled reader book library would provide access to grade level reading material to assist dyslexia students. The leveled reader book library would allow students with dyslexia to read grade level material at their level, as well as boost reading confidence and improve reading skills.	\$435.00	The Serrano Agency
<b>BURNETT ELEMENTARY</b> Sheri Rodgers; Denise Ngo	<b>COMPOSING CREATIVITY THROUGH MUSIC TECHNOLOGY</b> Music is a technology that connects the human being to his or her unique voice and self-expression. Modern technology similarly speaks to our students' desire for connection and expression, and can be a powerful tool for learning when properly harnessed. By supplementing the current rich PISD music curriculum adoption with Quaver Music, students of Burnett Elementary will engage with musical elements and skills through web based technology, adding tools to practice creativity and expression through music. The entire campus will benefit through the powerful synthesis of music and technology resulting in greater connection of students, staff and community.	\$4,771.00	Pasadena Rotary Club

# 2018 MINI-GRANTS *...continued*

CAMPUS	MINI-GRANT NAME / ABSTRACT	AMOUNT	DONOR
<b>BUSH ELEMENTARY</b> Aimee Ingalls; Suzanne Anderson	<b>YOU CAN UKULELE TOO!</b> You Can Ukulele Too! would make it possible to begin a ukulele program at my school. This grant would allow us to purchase instruments, curriculum, and instrument storage. Famous composer, Zoltan Kodaly said that “Music is the birthright of every child.” Our students perform music at a high level and learn how to read and write it. Learning ukulele in the 4th grade would allow students to use their previously learned musical knowledge and apply the skill of reading music to the real life challenge of learning an individual instrument.	<b>\$4,129.00</b>	<i>BCH</i>
<b>BUSH ELEMENTARY</b> Jaquelyn Kennedy; Suzanne Anderson	<b>LIVE WITH L.B.E</b> “Live With L.B.E.” is a proposal to expand our current video announcement capabilities while enhancing communication to all students, staff, parents and community members. Morning announcements at Laura Bush Elementary not only deliver important news of the day but also are a venue to unite, connect and celebrate as a school family. The administrative team rotates as anchors on the morning show, which allows students to begin to know key personnel. In times of upset, this established connection improves the team’s ability to work through problems or concerns. Students love to see us on TV!	<b>\$4,995.00</b>	<i>SER Construction</i>
<b>CTHS - DR. KIRK LEWIS</b> Andrea Nguyen	<b>HELP US SHOOT FOR THE STARS</b> PISD’s fast-growing and most community-minded AV program is in need of new cameras. Our CTHS AV department has produced many corporate videos, commercials, PSAs, and more. The City of Pasadena and Chamber of Commerce are among our clients. From Sarah’s House Gala, to Taste of the Town, to McDonald’s Texas Invitational, and also to various business grand-openings, we are the video crew of choice when it comes to local event coverage. We’re hoping for new cameras to replace our worn and dated equipment so that we can continue to use our passion to better serve our community and campus.	<b>\$5,000.00</b>	<i>Pasadena Chamber of Commerce</i>
<b>CTHS (MIDDLE SCHOOLS)</b> David Scarcella, Kada Lamas	<b>MIDDLE SCHOOL MAGIC</b> STEM Education has become one of the most successful and innovative approaches to get students involved with science and technology. Robotics is one of the most popular ways to get students excited about STEM. Robotics programs across the district have doubled in 2017–2018 and we anticipate even more growth this year. We had over 130 students attend our robotics summer camps and hope to increase that number by 10%. We currently have 4 middle schools participating in robotics and hope to spread the word to other campuses. Please help spread the Middle School Magic using STEM.	<b>\$5,000.00</b>	<i>Phelps Insurance</i>
<b>FREEMAN ELEMENTARY</b> Amanda Maslonka Lucille Fuller; Julia Rivas; Maria Godinez; Kortney Wolfers; Jontrice Leon; Ilsa Garza; Michael VanLoenen	<b>MAKE IT COMFY AND MOBILE</b> The A.B. Freeman library is located in the heart of South Houston. The library sustained damage during Hurricane Harvey requiring repair. The wood shelving absorbed water and is in need of replacement. Receiving this grant would allow us to purchase new mobile shelving to create a flexible learning environment for all Freeman students. The library is a place that we want to be a calm and relaxing place where children feel safe and enjoy being a kid.	<b>\$4,944.00</b>	<i>GPD Group</i>

CAMPUS	MINI-GRANT NAME / ABSTRACT	AMOUNT	DONOR
<b>GARFIELD ELEMENTARY</b> Timothy Williams, Sandra Villarreal; Allyson Kemmann; Tara Gonzales; Mary Jaime; Jini West	<b>KEEP THE I IN IPAD</b> "Keep the I in iPad" is designed so that students in grades K-4 <sup>th</sup> will have access to and utilize iPads to complete projects, presentations and programs. As a class, students will be able to work on an iPad and explore educational apps. This will allow students to have exposure and experience with current technology within their world today.	\$4,944.00	Pasadena Lions Club
<b>HANCOCK ELEMENTARY</b> Raquel Garza	<b>BISON OF BLUE AND GREEN GABLES!</b> "Bison of Blue and Green Gables" is a project that adds quality English and Spanish literature to the library collection. The first piece is to add newly published fiction and nonfiction print and e-books that support the district curriculum to the library collection for student and teacher checkout. The second piece is to add classroom novel sets for teachers to check out to use in classrooms during literature circles for student opportunities to apply their Reading comprehension skills to real novel reading in a safe, shared, and rigorous environment.	\$5,000.00	BASF
<b>HANCOCK ELEMENTARY</b> Raquel Garza	<b>MAKERS GONNA MAKE!</b> "Makers Gonna Make" is a project that brings S.T.R.E.A.M (Science, Technology, Reading, Arts, and Math) learning activities to the Hancock Library during Makerspace. Students work in collaborative groups, sharpen their problem solving skills, become engineers, use their creativity and apply their classroom content learning to hands-on activities. A Makerspace library is an active library that scaffolds S.T.R.E.A.M and allows students to be responsible for their own self-directed learning. Makerspace teaches students that mistakes are part of the learning process and should stay persistent. Students are learning 21st century skills to apply presently, in college, and in their future workplace	\$5,000.00	Terry Brotherton Properties
<b>JESSUP ELEMENTARY</b> Elizabeth Martin; Alfredo Juarez, Jason Juneau; Marian Rayford; Cora Rivers	<b>TINKERING SPACES</b> The goal of Tinkering Spaces is to provide students at Jessup Elementary with makerspace materials that will foster their creativity to explore and problem solve. Creative tinkering is a valuable resource not often taught in school but can have positive effects for life outside of the classroom and beyond. These resources will engage students in hands-on activities that teach 21 <sup>st</sup> century skills in technology, engineering, as well as digital and information literacy. We want to provide our students with resources to work with technology, bring ideas to life, learn to problem solve, and unlock the potential of innovation.	\$1,490.00	DBR Engineering Consultants
<b>JESSUP ELEMENTARY</b> Kerry Ann Thompson; Ryan Povone	<b>FLEXIBLE SEATING FOR HIGHLY ENGAGED READING</b> Our goal is to have the school's library reflect the vibrancy of its books. We will do this by updating the furniture in our library. We wish to outfit our library with contemporary flexible seating arrangements. We believe that a safe, engaging environment will increase our students' desire to read. Indeed, we want our students to perceive our library as a refuge from the daily grind and ultimately a place to relax with a good book.	\$5,000.00	Ameraflex

CAMPUS	MINI-GRANT NAME / ABSTRACT	AMOUNT	DONOR
<b>JESSUP ELEMENTARY</b> Lucia Pena Annie Sargent; Norma Dempsey	<b>FINE-ART FOR THE BRAIN AND HEART</b> Fine-art materials will be utilized in the Art Studio to stimulate interest and creativity among all students in school. Every week students use a different medium with a varying art skill: (line, color, texture, collage, drawing, painting, sculpture, etc.). Also, these materials will be integrated into Pre-K and Kinder Language Art Centers to develop ELAR and fine-motor skills. In the Language Arts Center, students will use same skills learned in the Art Studio and connect to letter and sound of the week. The Art Cart will be stocked by parent volunteers ready to flow among teachers.	\$5,000.00	<i>Pasadena ISD Police Officers Association</i>
<b>JESSUP ELEMENTARY</b> Ryan Pavone; Ivette Harris, Valencia Noland; Kerry-Ann Thompson; Jennifer Chavez	<b>BOOK BLASTS</b> Generating excitement about reading is a major goal of every school. We best meet this goal with parent support. We invite parents to the school to participate in high interest, engaging reading activities done alongside their sons and daughters. We call these events "Book Blasts." Each Book Blast has a unique theme so that students and their parents have a new and exciting experience year-to-year.	\$5,000.00	<i>Albemarle Foundation</i>
<b>KELLER MIDDLE SCHOOL</b> Traci Moody, Bridget Aguilar, Pennie Erskins	<b>LEARNING IN MOTION</b> Learning in Motion is a school wide proposal to help facilitate implementation of Action Based Learning in our Keller Brain Lab and in our classrooms. Action Based Learning gives students the opportunity to learn in a non-traditional manner that values the importance of movement. Dr. Jean Blaydes Moize, founder of Action Based Learning, notes "The positive benefits of physical activity lasts 15 to 20 minutes, while the positive benefits of exercise lasts 60 to 90 minutes." With this grant, we hope to be able to implement action based learning across our campus	\$4,995.00	<i>Buffalo Marine Services, Inc.</i>
<b>KRUSE ELEMENTARY</b> Catherine Grose, Pam Raley	<b>CREATING WITH TEXTILES</b> The purpose of the Creating with Textiles Club is to introduce third and fourth grade students to the textile arts and give them the opportunity of personal growth through self-expression in fiber. Through the exploration of the history and art of weaving, knitting, crocheting, and felting, students will develop observation skills and the use of color, tone, texture, line, and surface. Students will also improve their understanding of patterns, number manipulation, two and three-dimensional objects, and measurement systems in a creative real-world environment. The students will produce a variety of finished pieces they can take home.	\$963.00	<i>Pasadena Mulch</i>
<b>KRUSE ELEMENTARY</b> Catherine Grose, Trish Russo	<b>GELLI GEMS</b> Gelli Plate printing provides students with innovative experiences where they can express and expand their individuality and critical thinking skills. Using Gelli Plates, students learn to reason through processes and experiment to gain desired outcomes, which are valuable skills across the curriculum and invaluable life-long skills. Students will not only gain an understanding of the elements and principles of art, but will also learn to see and think about our world from different perspectives. Most importantly, Gelli Plates will inspire students to be more creative and confident learners.	\$314.00	<i>ARG Real Estate</i>

CAMPUS	MINI-GRANT NAME / ABSTRACT	AMOUNT	DONOR
<b>MATTHYS ELEMENTARY</b> Adriana Lopez, Veronica Beaman	<b>BUILDING STRONG FAMILIES</b> Families will be empowered by acquiring knowledge of the Conscious Discipline philosophy, tools to address emotional needs, and providing opportunities to serve as support at school. The Parent Training includes monthly "Positive Discipline Training", the "Watch DOGS Program," and the "Youth & Mental Health Parent Chats." The "Positive Discipline Training" utilizes the "Conscious Discipline Model" to help parents become behavior coaches at home. Our "Watch DOGS" program encourages fathers or other father figures to get involved by volunteering their time at school. The Youth & Mental Health Parent Chats will provide valuable information through presentations and resources.	\$4,968.00	John O. Harris Interests, LLP
<b>MATTHYS ELEMENTARY</b> Gloria M. Duran	<b>WIGGLE, MOVE, READ!</b> Research has shown that students with dyslexia learn better using a multi-sensory approach. Students with dyslexia are hyperactive and impulsive therefore making it harder for them to stay focused in the classroom. Having kinesthetic equipment in the classroom will enhance student's reading fluency and increase reading comprehension. Movement will increase learning because more senses will be involved. If more areas of the brain are being stimulated then more learning is taking place. If we added soft rockers, minion movement chairs, and kore wobblers to the classroom, it can potentially increase their engagement and participation in class.	\$3,150.00	Dexter Joyner, Attorney at Law
<b>MATTHYS ELEMENTARY</b> Diana Rodriguez, Minerva Salazar, Anna Jackson	<b>LAKESHORE "HANDS-ON LEARNING" IN PRE-K</b> The goal of the Pre-K team at Matthys Elementary is to increase student achievement in all areas of learning with hands-on activities in the classroom. Studies show that students who participate in hands-on learning activities demonstrate an increase in vocabulary, problem-solving skills, cause and effect thinking, communication skills, social-emotional growth, and most importantly, it provides a motivation to learn. Hands-on activities promote more student engagement and it meets verbal, visual, and kinesthetic learner's needs.	\$4,998.00	BOK Financial Securities, Inc.
<b>MATTHYS ELEMENTARY</b> Dionicia Chapa-Sanchez, Erica Salas, Yolanda Herrera, Cynthia Montes, Lisa Finateri, Isairis Aleman, Cynthia Nguyen	<b>IPAD LITERACY CENTERS</b> Literacy Centers are an important component to effective Language Arts instruction. A listening center will help provide differentiation and targeted support for emerging readers. The iPad listening center will be an easier and quicker way for students to listen to fluent reading, while allowing teachers more time for teaching because less time will be spent helping students use the listening center.	\$777.00	S.G. Engineering Consultants, LLC
<b>MATTHYS ELEMENTARY</b> Julie Regalado	<b>LEARNING THROUGH MOVEMENT!</b> As a conscious discipline campus, Matthys Elementary promotes the importance of safety and brain breaks to enhance learning and reduce classroom disruption. Movement activities can prepare the brain for learning and therefore the success of students. The computer lab serves our entire school that includes a high population of children in desperate need of kinesthetic learning. As students attention is pulled in various directions, students find ways to move around to fulfill their cravings to fidget. A kinesthetic computer lab will provide students with the opportunity to bounce, pedal, and fidget productively while learning.	\$4,099.00	Brooks & Sparks/Westbelt Surveying

CAMPUS	MINI-GRANT NAME / ABSTRACT	AMOUNT	DONOR
<b>MATTHYS ELEMENTARY</b> Melinda Deleon, Angelica Marroquin, Maria Zavaleta, Norma Wheeler, Amanda Gadison, Nicole McKinstry, Claudia Garza	<b>TOOLS FOR LEARNING</b> "Tools for Learning" is a proposal that would enable students to connect with the curriculum in their classrooms. Funding from this grant would be used to purchase iPad devices for classroom use and implement them as educational tools. These iPads will be used for classroom activities in all subject areas. Students will have access to numerous applications designed to extend the learning and achievement in the classroom. Focus will be on differentiation of instruction, learning and providing students with an active, digital environment in which to connect with their work.	\$4,972.00	Gallagher Barmore
<b>MATTHYS ELEMENTARY</b> Natalie Ramos, Marisol Cervantes	<b>MOVING MIND WITH SENSORY TOOLS</b> Children with Autism Spectrum Disorders (ASD) have a variety of challenges with sensory processing. Sensory difference are unique to each individual in understanding how incoming information is processed. When provide with specific sensory integration tools and techniques, students will be more successful in academics, behavior, and social areas. With this approved grant, of multi-sensory tools we will successfully reach our goal in assisting our ASD students to be in the frame of mind to learn. We will be servicing students from the inclusive to self-contained setting.	\$3,218.00	Dr. Pepper
<b>MEADOR ELEMENTARY</b> Annette Stubbs, Connie Daumas, Sandra Richey, Maria Gonzalez, Melissa Hinojosa, Margo Ramirez, Cheryl Caudill	<b>MEANINGFUL MANIPULATIVES</b> The program "Meaningful Manipulatives" is intended to enhance small group reading and math instruction campus wide. Equipping teachers with manipulatives to involve students in hands on phonics and word work will improve students' phonemic awareness and help achieve the campus goal of increasing reading levels. Vocabulary and context reading activities will help emerging readers better attack unfamiliar words in texts and improve student reading comprehension. Hands on math manipulative practice will improve number sense and mathematic reasoning. As students become more hands on during small group instruction they will maintain engagement and retain more information.	\$ 4,710.00	Cornerstone Club
<b>MELILLO MIDDLE SCHOOL</b> Ann Settlow, Tram Kim, Cristina Ayala, Beth Leimbach, Brittany Jaramillo-Greuter	<b>LEVELED LITERACY INTERVENTION</b> "Leveled Literacy Intervention (LLI)" is a research-based, systematic reading intervention that enables below-level readers in gaining literacy momentum and filling in reading achievement gaps. The LLI system fosters a love of reading by providing authentic, high-interest books, while also meeting the needs of students at their specific reading level during small-group intervention. The program includes a progress monitoring component so teachers can monitor students' reading progress regularly and move them closer to reading grade level materials with confidence.	\$4,950.00	Brock Group
<b>MEMORIAL HIGH SCHOOL</b> Edgar Garcia, Terry J Garza, Lucas Shields	<b>BETTER AT BATS BUILD BETTER STATS</b> The Pasadena Memorial baseball program is composed of hard working players, coaches, and parents. The Maverick Baseball family is constantly striving to improve the quality of baseball the players will receive by acquiring sports equipment and improving field conditions in order to provide a safe and productive environment. Our parents and players work hard at fundraising but many times the program is unable to purchase equipment for improving skills because field maintenance equipment and field supplies such as dirt take up the majority of our funds. Playoff appearances (2006-2008, 2011-2012, 2017)	\$2,199.00	Hall of Fame

# 2018 MINI-GRANTS *...continued*

CAMPUS	MINI-GRANT NAME / ABSTRACT	AMOUNT	DONOR
<b>MEMORIAL HIGH SCHOOL</b> Shannon Raygoza, Glenn Bailey, Carroll Sherman, Tish Eubanks	<b>CUE UP!</b> The Pasadena ISD Fine Arts Department, in partnership with Young Audiences of Houston and award-winning environmental/western art muralist, Vickie Hayes, will engage students from seven high school across Pasadena ISD (Pasadena, South Houston, Dobie, Sam Rayburn, Memorial, and Tegeler career center) in a yearlong pilot project, CUE UP! Pasadena, aimed at supporting student academic and artistic growth through three key targets: building cultural vibrancy, civic pride, and a Future Forward mindset.	<b>\$2,500.00</b>	<i>Dixie Chemical</i>
<b>MOORE ELEMENTARY</b> Jennifer Meier, Christina Le-Tran	<b>TODAY A READER, TOMORROW A LEADER</b> The "Today a Reader, Tomorrow a Leader" initiative will enable teachers to provide early intervention for students experiencing reading difficulty through the use of the Fountas and Pinnell Leveled Literacy Intervention System. This program's fast-paced lessons are designed to bring the lowest achieving children to grade-level performance within 120 days by providing intensive, specialized instruction in small groups with a certified teacher. Our goal is for every K-4 child to reach grade-level competency in literacy. Parents will be trained on the parental components of the program to ensure continued support at home.	<b>\$3,724.00</b>	<i>Porterfield + Architects and Associates</i>
<b>MOORE ELEMENTARY</b> Sheryl Munn	<b>QUAVER CLASS PLAY AND ESSENTIALS SUBSCRIPTION</b> All Music classes from Kindergarten to 4 <sup>th</sup> grade at Moore currently use the Quaver Class Play and Essentials program on the Promethean Board as a supplement and enhancement of Music Education skills. The students can also have student access at home to learn through interactive games and creating their own music at home with their parent's supervision. The Fine Arts budget from the District funded this program for us; however, they can no longer provide this for us. We would like to continue use of this invaluable higher level learning tool to support the love of Fine Arts early.	<b>\$1,590.00</b>	<i>Thrivent Financial</i>
<b>PARK VIEW INTERMEDIATE</b> Garrett Sanborne, John Muir	<b>STEEL DRUM BAND INSTRUMENTS AND SUPPLIES</b> Park View Intermediate is the only intermediate school in the Pasadena area with an authentic Caribbean Steel Drum Band. The band performs several times a year at school functions and in the community. The Steel Drums themselves are on loan from San Jacinto College Central, with the ultimate goal of purchasing our own drums. As the band has grown, we have replaced more than half of the loaned drums with instruments owned by Park View. Additional instruments will allow us to continue to share this diverse music with students, teachers, and the community for years to come.	<b>\$4,825.00</b>	<i>IBI Group</i>
<b>PARK VIEW INTERMEDIATE</b> Ruth Estrada, Jaclyn Sweet	<b>PARK VIEW YEARBOOK</b> In this course students gain skills in one or more of the following areas: page design, advanced publishing techniques, copy writing, editing and photography while producing a creative, innovative yearbook which records school memories and events. There is an emphasis on journalism skills in this class. Participants gain useful, real world skills in time management, marketing, teamwork, and design principles.	<b>\$4,710.00</b>	<i>AVAdek Walkways, Covers &amp; Canopies</i>
<b>PASADENA HIGH SCHOOL</b> Armando Morales, Aldo Prado	<b>"INQUIRY MINDSET IN PHYSICS"</b> I teach AP Physics 1 at Pasadena High School, Early College High School. I teach students in the early college high school and prepare them for the AP Physics 1 exam using a multitude of methods including labs. I also tutor students for their college level science and math classes.	<b>\$1,472.00</b>	<i>Bill &amp; Jackie Barmore</i>

CAMPUS	MINI-GRANT NAME / ABSTRACT	AMOUNT	DONOR
<b>PASADENA HIGH SCHOOL</b> Bonnie Alexander, Emily Dabney, Jennifer Stewart	<b>LITERACY NIGHT</b> Once a year, we sponsor a Literacy Night for the surrounding community around PHS. The purpose of this event is to introduce our school and library program to future students, build a love of reading, increase readership and circulation at both the school and public libraries, improve literacy and to forge a relationship with the community in a way that bridges the divide between schools, students and parents.	<b>\$2,494.00</b>	<i>LyondellBasell</i>
<b>PASADENA HIGH SCHOOL</b> Daniel Borin, Catherine Lovell, Lori Wiltz, Jeff Wilson	<b>EAGLES SOFTBALL PROGRAM</b> The Eagles' Softball Program is in dire need of team equipment as well as field and safety equipment. To this date our program lacks fundamental equipment that hinders our girls from practicing properly and functioning as a unified team, all while continuing to compete with schools that accommodate district games (with their own game field). This will ensure our girls have the basic essentials to perform safely and effectively and lead to increased opportunities for our school, community and promote a strong, prideful softball program.	<b>\$5,000.00</b>	<i>Hall of Fame</i>
<b>PASADENA HIGH SCHOOL</b> Nick Caballero, Ben Veen, Alfred Padron, Jonathon Rojas	<b>EAGLE BASEBALL PROGRAM</b> The Eagle Baseball Program is in dire need of team equipment as well as field equipment. It is the only way to ensure that all our players have the basic essentials to look and perform like a team. To this date our baseball program is continuing to compete with schools that accommodate district games (with their own game field) by preparing and trying to build up much needed fence and field work to our practice field. This will eventually lead to increased opportunities for our school, community and promote a strong, prideful baseball program.	<b>\$2,801.00</b>	<i>Hall of Fame Athletic Dept. contributed \$1,939.00 for a total of \$4,740.00</i>
<b>PEARL HALL ELEMENTARY</b> Amanda Butcher Shelly Betancourt, Raelynn Tice, Sara Ramirez	<b>CONTINUING ON, FULL STEAM AHEAD</b> Continuing On, Full STEAM Ahead is a hands-on proposal focused on student-centered inquiry through the continued integration of STEAM into makerspaces. Makerspaces provide an environment where students are challenged to apply their classroom learning with hands on exploration. Students move beyond consumption of the curriculum to the critical analysis and application of it. The further integration of STEAM activities into the current makerspace program will enable students to design, experiment, and invent as they apply science, technology, engineering, art, math and problem solving skills.	<b>\$4,040.00</b>	<i>cre8 Architects</i>
<b>POMEROY ELEMENTARY</b> Lesby Chenevert, Lizbeth Figueroa, Griselda Espinoza, Dori Jaramillo	<b>STEAM LEARNING FUN IN PRE-K</b> STEAM Learning Fun in Pre-K seeks to provide hands on learning opportunities that our students may not have outside of the school setting. In the early education setting, STEAM learning happens naturally as children are given opportunities for play. It is through play that our youngest students examine the world and develop science and math skills that will provide the foundation for future educational success. Providing opportunities for artistic expression promotes creativity which helps students develop higher level thinking. In order to provide these opportunities, we are seeking to obtain educational materials that enhance the natural play of children.	<b>\$4,996.00</b>	<i>ABC Dental</i>
<b>POMEROY ELEMENTARY</b> Veronica Santallanes, Adelfa Castillo	<b>ALL SYSTEMS GO!</b> All Systems Go! strives to implement and pilot a robotics program, at Pomeroy Elementary to expose students to the fields of Science, Technology, Engineering, Art, and Mathematics. The program will empower students to become both critical & creative thinkers, and problem solvers while applying mathematical & language arts knowledge into their learning activities. Opportunities, as such, will create diverse learning abilities, cultivate student's curiosity in learning new skills, & inspire them to become problem solvers such as producers in coding.	<b>\$4,955.00</b>	<i>Shell Pipeline</i>

# 2018 MINI-GRANTS *...continued*

CAMPUS	MINI-GRANT NAME / ABSTRACT	AMOUNT	DONOR
<b>RAYBURN HIGH SCHOOL</b> Kevin George, Charles Hutchinson, Jeff Embrey, Ross Gordon, George Crandall, Pavel Baez, George Martin, Peter Farley, Laneese Gareri	<b>"TECH THEATRE OVERHAUL"</b> "Tech Theatre Overhaul" is a program that will drastically improve the effectiveness of our instruction, the productivity of our theatre technicians, and the career and college readiness of all of our students. This program will organize our scene shop so that students have more room to work, and safer working conditions. The program will also provide our students with industry standard equipment so that once they leave Rayburn students are able to compete with anyone else in their field. Ultimately, this will increase the quality of our productions thereby impressing our community & enriching our students.	\$4,995.00	CommunityBank of Texas
<b>RAYBURN HIGH SCHOOL</b> Shannon Raygoza, Glenn Bailey, Victor Raygoza, Tish Eubanks	<b>CUE UP!</b> The Pasadena ISD Fine Arts Department, in partnership with Young Audiences of Houston and award-winning environmental/western art muralist, Vickie Hayes, will engage students from seven high school across Pasadena ISD (Pasadena, South Houston, Dobie, Sam Rayburn, Memorial, and Tegeler career center) in a yearlong pilot project, CUE UP! Pasadena, aimed at supporting student academic and artistic growth through three key targets: building cultural vibrancy, civic pride, and a Future Forward mindset.	\$2,500.00	City of Pasadena
<b>SAN JACINTO INTERMEDIATE</b> Cynthia Allen, Diane Phelan	<b>READ NATURALLY</b> The students in the Life Skills (SUCCESS) class are "employees" of the "Tiger Task Force" with a motto of "Tigers Acting in Service and Kindness." The TTF has been busy around the campus with a recycling initiative, sign making and creating clay maps for others. The TTF will open a Coffee Service Program soon by selling premium cups of coffee each morning and afternoon. The "employees" will learn about the life skills necessary to take responsibility for this service – taking orders, making and serving coffee (with supervision), inventory and purchasing supplies.	\$619.00	Marshall & Denie Kendrick
<b>SOUTH BELT ELEMENTARY</b> Jason Watson, Daniel Frazier, Audrea Taylor, Natalie Simpson	<b>ENHANCING THE PE EXPERIENCE THROUGH "LU PLAY"</b> Motivating students in physical education is a constant battle most PE teachers struggle with on a daily basis. A large number of students in each class are reluctant to participate because let's face it, they just aren't that interested. Most of these students have no issue with sitting in front of a computer or an IPAD and playing games for hours. But why are they so reluctant to engage and participate in PE class? It is time for physical activity and technology to be blended together for an interactive, engaging, active, fun experience.	\$5,000.00	Center Point Energy
<b>SOUTH HOUSTON HIGH SCHOOL</b> Jeff House, Kevin Herron, Manuel Pena	<b>CNC ROUTER</b> The Powermatic Computer Numerically Controlled (CNC) router will allow for students to learn how to design, scale, & program shapes for manufacture. Students will research different design concerns. Using this research, students will then make drawings of their design. These drawings are then used to create full size or scaled drawings for production of their part. The students will use math & proportion and ensure the part is an accurate representation that complements the structure. The CNC programming is similar to what is used by true machinists in industry & will introduce a possible career choice for those so inclined.	\$5,000.00	GCEFCU
<b>SOUTH HOUSTON HIGH SCHOOL</b> Melissa House, Katherine Alba, Paul Gutierrez, Brad Wheeler	<b>PARABOLIC COOKING EQUIPMENT</b> Students will learn to use the sun's source for energy to cook foods with parabolic solar cooking mirrors. Students will use various cookers to explore science concepts related to the sun's energy. Students will learn sustainability by engaging through hands on cooking by way of frying, grilling, broiling various foods, and even baking with many parabolic solar cookers. Cooking using the sun's source of energy brings high schools culinary students out of the classroom to cooking outdoors while achieve sustainable ways of cooking.	\$4,365.00	Pasadena South Rotary Club

CAMPUS	MINI-GRANT NAME / ABSTRACT	AMOUNT	DONOR
<b>SPARKS ELEMENTARY</b> Brianna Bonnette, Rick Tegeler, Sherri Means, Teresa Sharp, Kelly Orr, Maria Rodriguez, Amber Barker, Jeff Locklear, Laura Maxwell, Cherrie Hanson	<b>TECHNOLOGY FOR THRIVING TALENT</b> Technology for Thriving Talent in the Sparks Community is a proposal that allows Sparks Elementary to replace 2005 iPod Nanos and old speakers with current iPads and new speakers in order to reliably bring a quality musical performance experience to our music students and a quality musical audience experience to our student body, teachers, and parents. Each grade that comes to music (K, 1, 2, 3, 4) performs in a grade level program on the stage at least once a year. If Sparks Elementary receives this grant, the whole student body and faculty will benefit for several years.	\$1,960.00	Steve Cowart
<b>TEAGUE ELEMENTARY</b> Ryan Fountain, Amy Campos	<b>DRUMMING UP CHARACTER!</b> 'Drumming Up Character' is a program that will focus on using musical skills, specifically drumming, to help guide the school-wide implementation of our PBIS system - Conscious Discipline. Our district provided a music resource from the group "Dancing Drum" that helps to teach character traits but our campus does not have the drums needed for the students to play! Our counselor highlights a character trait of the month of which to focus for the campus. Our drumming ensemble will teach the school about the character trait on the morning announcements & throughout Music class using the curriculum "Dancing Drum."	\$1,884.00	McDonald's
<b>TEAGUE ELEMENTARY</b> Amy Campos, Bethany Welch, Sharon Matthews, Courtney Durbin	<b>MOVING MINDS</b> Moving Minds is flexible seating proposed to reduce squirming and fidgeting with ergonomic seats that are designed to stimulate thinking and allow continuous, non-distracting movement. Through flexible seating, students are given seating options that allow them the responsibility and flexibility to choose how they will learn best for the day. Moving Minds is a way to let students exercise choice in the learning environment and find academic success on their own terms.	\$4,560.00	CIMA Services
<b>TEAGUE ELEMENTARY</b> Carrie Schultz, Amy Campos	<b>BASKETBALLS GALORE</b> Basketballs Galore is a project that seeks to assist in the healthy growth and development of students through planned, purposeful, and active play. Teague Elementary hopes to revitalize a component of its physical education program and provide more activities that include parent involvement. Our goal is to provide enough basketballs for each student in the physical education classroom to participate at the same time. This would provide all of our students more access to the physical education equipment and allow the school to include more activities where parents are also participants.	\$1,884.00	McDonald's
<b>TEAGUE ELEMENTARY</b> Kristen Brodie, Shannon Hall, Sue Cardwell, Lizeth Montelongo, RoseAnn Valdez, Bethany Welch, Marianela Mendez, Isaac Rodriguez	<b>"STEAMING" AHEAD FOR SUCCESS</b> With the changing curriculum standards, we have seen an increased need for critical thinking and problem solving skills. STEAM learning, even in the lower grades, provides creative opportunities for students to develop these skills. By incorporating principles of Math and Science, foundational concepts are also reinforced, and the integration of Art infuses the learning opportunities with an appealing creative option. In short, providing guided instruction with the proper materials will create the perfect environment for engaging critical thinking and problem solving skill development.	\$4,278.00	Jack and Kathy Bailey
<b>TEAGUE ELEMENTARY</b> Stacey Redwine, Brittany Hogue, Maria Guerra, Maribel Espinoza, Ann Jablonski, Silvia Garcia, Teddi Cochrane, Tanya Robinson	<b>FOURTH GRADE FLEXIBLE SEATING</b> With the various needs of our unique learners, we have been constantly challenged with keeping students focused on learning in our open concept environment. We believe that flexible seating will meet the needs of our diverse students by helping concentration while providing the need for movement. Studies show that kinesthetic activities improves long-term retention, memorization, and sensory feedback.	\$4,990.00	Meador Staffing

# 2018 MINI-GRANTS ...continued

CAMPUS	MINI-GRANT NAME / ABSTRACT	AMOUNT	DONOR
<b>TEGELER CAREER CENTER</b> Christi Thompson, Trascell Lewis, Briana Archer, Patrick Daniels, Myrna Harbuck, Praisey Thomas, Michelle Clem, Thomas Hernandez, Ashley Bell	<b>NEWS ALERT!!! NEWSELA ALERT!!!</b> The literacy crisis among American students is well-documented within minorities and English Learners failing to learn to read and write at alarming rates. In spite of these grim statistics, indicators show significant improvement is within the grasp of students. We are being called to respond with limited budgets and staffing, while brainstorming cost effective resources to enhance student learning. Newsela engages students in a way that other personalized learning platforms do not. It brings reading instruction and practice to life by scaffolding lessons for students who need additional support while encouraging students who are ready to take on new challenges.	<b>\$4,000.00</b>	<i>Rosewood Funeral Home</i>
<b>TEGELER CAREER CENTER</b> Shannon Raygoza, Glenn Bailey, Stephanie Gobeau, Tish Eubanks	<b>CUE UP!</b> The Pasadena ISD Fine Arts Department, in partnership with Young Audiences of Houston and award-winning environmental/western art muralist, Vickie Hayes, will engage students from 7 high schools across Pasadena ISD (Pasadena, South Houston, Dobie, Sam Rayburn, Memorial, Tegeler career center) in a yearlong pilot project, CUE Up! Pasadena, aimed at supporting student academic & artistic growth through 3 key targets: building cultural vibrancy, civic pride, & a Future Forward mindset.	<b>\$2,500.00</b>	<i>City of Pasadena</i>
<b>THOMPSON (VISUAL ARTS)</b> Janet Reynolds, Shannon Raygoza, Thompson, Dobie Beverly Hills, Young Elem, Melillo MS, Morris, Kruse, Queens, Miller, Parkview, Gardens, Schneider, Tegeler, DeZavala, Jensen, Moore, Dobie 9 <sup>th</sup>	<b>PASADENA COMMUNITY BARN QUILT PROJECT</b> Barn quilts are squares painted on plywood and displayed on outdoors structures. This program will be the creation of the Pasadena Barn Quilt Trail. Students at Thompson Intermediate will work with other schools in the district to create custom barn quilts for their campus. Students will contact community partners to work with them and create barn quilts to be displayed at their businesses. Each 4' x 4' barn quilt will have a QR code viewers can scan to learn the history of the particular square. This will be an interdisciplinary project reinforcing math, art and social studies TEKS.	<b>\$1,870.00</b>	<i>Rogers, Morris &amp; Grover, LLP</i>
<b>THOMPSON INTERMEDIATE</b> Mark Varian, Erynn Kalisek	<b>A TERRIFIC TIME TO TUNE!</b> Music improves dual-hemisphere activity and motor function of the brain as it assesses and evaluates pitch intonation and executes a response in real time. It invokes self-assessment and goal-orientation in each participant. Our students will be measured for their improvement in the element of musical perception and technique through the means of electronic hardware and computer software.	<b>\$1,275.00</b>	<i>Austin Industrial</i>
<b>THOMPSON INTERMEDIATE</b> Naoreen Shafi, David Scarcella	<b>THOMPSON ROBOTICS EXPANSION SUPPORT</b> Robotics is an exciting way for students to be immersed into STEM, especially engineering. Our mission is to inspire students to pursue STEM-related careers. The Thompson RoboLions have been an example of Pasadena ISD's commitment to getting students involved in robotics. We have had a successful robotics program at Thompson for four years, including participating in the world championships in 2018. For the 2018-2019 season, we have double the program from 12 students to over 30 students. Since we have more interest in our robotics team, the RoboLions need more supplies to support our growing team.	<b>\$5,000.00</b>	<i>Chevron Phillips Chemical Company LP</i>
<b>WILLIAMS ELEMENTARY</b> Norma Garcia, Tanika Thomas, Samantha LaPointe, Maricela Gomez, Mindy Cantu, Ashley Harris, Anuska Phillip, Jessica Martinez, Jennifer Grayson	<b>SEATING FOR READING</b> Traditional library chairs were hardwood, darker in color, and often positioned around tables. Often uncomfortable, this type of seating is not conducive for elementary aged students to get "lost in a book." That is what we currently have at Williams Elementary. Today's seating options are varied and include vinyl surfaces that are easier to clean and strategically positioned in aesthetically pleasing areas of a library. Bright, bold colored seating is needed to continue to keep students interested in visiting our library and aiding in creating life-long readers while building strong reading skills.	<b>\$5,000.00</b>	<i>Economic Development Committee</i>
<b>TOTAL</b>		<b>\$232,504.00</b>
